1.3

A large, thick black smiley face is centered on a white background with a light gray grid. The smiley face consists of a large, rounded upper arc and a wide, open-mouthed lower arc. The grid lines are thin and evenly spaced, creating a pattern of small squares across the entire image. The smiley face is positioned such that its top edge is near the top of the grid, and its bottom edge is near the bottom of the grid. The overall effect is a simple, playful graphic element.
